## THE VEGGIE AWARDS 2019

### CONGRATULATIONS ON BEING SHORTLISTED FOR A READER VOTED AWARD

The Veggie Awards are back for their eleventh year running and are **bigger and tastier than ever!**

Already the UK's leading Awards recognising Britain's meat-free industry, 2019 is set to be the most exciting year yet with our readers voting on 12 categories, from Best Vegetarian Brand and Favourite Vegetarian Personality, to Best Vegetarian Blog and Best Meat-Free Menu. The nominees have been shortlisted and we are delighted to say that you have made the cut. This pack will make it easy for you to get your customers voting for you!

**Voting will open on 24th January 2019.**

## BUILDING ON SUCCESS

All the finalists will be announced in the July 2019 issue of Veggie, featuring a host of prize-winning veggie products along with trusted advice and mouth-watering recipes from the all-star judges from this year's panel. Alongside our reader voted categories, we have also lined up a host of celebrity judges for our other categories. Our panel this year includes Jasmine Hemsley, The Happy Pear, BOSH, Elly Pear and Lucy Watson. With a combined social media following of over 4.5 million, and with our association with The Vegetarian Society, the Veggie Awards 2019 will have a bigger reach than ever.
